Engineering Change Notification

This notice is to inform you of a change to the following TFT LCD products:

NHD-2.8-240320AF-CSXP-F
NHD-2.8-240320AF-CSXP-FT
NHD-2.8-240320AF-CSXP-FCTP

These displays have been redesigned to add support for 3/4-wire SPI interface, increase display brightness, and add EMI shielding as design improvements. Complete details regarding the pinout change, interface selection, and backlight characteristics can be found in the [Product Transition Guide](#).

The new displays will be labeled with a different revision control number after the part number. See example below.

Old Design	New Design
	

We understand that every customer's application is unique, and therefore recommend you test and validate samples of the updated design.

Samples may be purchased by contacting us at nhsales@newhavendisplay.com. When ordering samples, please specify that you would like to receive the new version.

Please visit www.newhavendisplay.com or email nhtech@newhavendisplay.com for further information or assistance with this change.
