## Engineering Change Notification

This notice is to inform you of a change to the following product:

### **NHD-COG14-36**

This breakout PCB has been redesigned to add support for additional connection types. The board now supports 1.27mm, 1.5mm, and 2.0mm pitch SMT and thru-hole connections also. This design improvement has led to an increased overall size of the PCB.

The new board will be labeled with a different revision control number after the part number. See example below.

We understand that every customer's application is unique, and therefore recommend you test and validate samples of the updated design.

Samples may be purchased by contacting us at [nhsales@newhavendisplay.com](mailto:nhsales@newhavendisplay.com). When ordering samples, please specify that you would like to receive the new version.

Please visit [www.newhavendisplay.com](http://www.newhavendisplay.com) or email [nhtech@newhavendisplay.com](mailto:nhtech@newhavendisplay.com) for further information or assistance with this change.
