The TN glass used in the manufacturing of these displays is no longer available. As a result, we cannot continue to produce these displays in their current design.

A last-time-buy option for the TN displays is not available, but there are new IPS alternatives that will be available to ship starting **January 2, 2023**.

Please refer to the [10.1 IPS Transition Guide](#) to view the key features of our new IPS displays in comparison to the EOL TN displays. The following table lists recommended alternatives from our new IPS product offering.
