Engineering Change Notification

This notice is to inform you of a change to the following TFT products:

NHD-7.0-1024600AF-LSXP
NHD-7.0-1024600AF-LSXP-CTP
NHD-7.0-1024600AF-LSXP-CTPIM

NHD-7.0-HDMI-HR-RSXP
NHD-7.0-HDMI-HR-RSXP-CTU

The display FPC has been redesigned to add EMI shielding for better EMC. The new FPC cable is also less susceptible to nicks and tears.

The new version does not require a change to the user's software or hardware design. The FPC size, shape and 40pin connection for the user remain unchanged.

The new displays will be labeled with a different revision control number after the part number. See example below.

Old Design	New Design
	
	

We understand that every customer's application is unique, and therefore recommend you test and validate samples of the updated design.

Samples may be purchased by contacting us at nhsales@newhavendisplay.com. When ordering samples, please specify that you would like to receive the new version.

Please visit www.newhavendisplay.com or email nhtech@newhavendisplay.com for further information or assistance with this change.
